

June 6, 2017 FVWWC Presentation Product Source List

Product	Source
<p>Cubic Boron Nitride (CBN) Grinding Wheels & Spherical Washers (to eliminate runout)</p> <p><i>This is a fantastic, highly recommended setup for sharpening high speed steel (HSS) tools!</i></p>	<p>Contact Ken Rizza at: www.woodturnerswonders.com (CBN wheel: 4-in-1 design, 180-grit, 8-in. diameter @ \$169.95) (Self-aligning Spherical washer set @ \$5.95)</p>
<p>Horse Butt Strop (used smooth side up <u>without</u> any micro-fine green honing compound) for “chasing the burr” after honing on your finest grit waterstone. This product is <u>much better</u> than softer cowhide strops.</p>	<p>www.toolsforworkingwood.com (Product #MS-HORSEST @ \$22.95)</p>
<p>Honing Jigs:</p> <ol style="list-style-type: none"> Lie-Nielsen Honing Guide Veritas MKII with narrow chisel adapter 	<ol style="list-style-type: none"> www.lie-nielsen.com (\$125.00) Woodcraft
Digital Wixey Gauge	<p>Woodcraft (Product #WR300 TYPE 2 @ \$29.99)</p>
Granite Block (9"x12"x2")	<p>Woodcraft (Product #144838W @ \$38.99)</p>
3M Stikit Gold Pressure Sensitive Adhesive (PSA) sandpaper rolls (80, 180, 240, 400 grits)	<p>www.amazon.com</p>
Raptor Grinding Wheel Angle Setup Tools	<p>www.woodturnerscatalog.com (\$9.95 each size: 35-, 40-, 45-, 50- and 60-degrees)</p>
<p>Magnetic-Mount CREE LED gooseneck work lights</p> <p><i>These magnetic mount lights are the best battery powered LED lights I've ever used, and the light heads are focusable from a wide beam to a very narrow spot. The optional mounting plates and dog hole posts allow for use in standard dog holes (3/4" dia.) or in Festool MFT table dog holes (20mm dia.). Also great for magnetically attaching to drill presses or band saws!</i></p>	<p>www.leevalley.com (Product #15J77.01 @ \$32.50 each, plus dog hole posts (\$3.20 ea.) & mounting plates (\$3.80 ea.)</p>
<p>Sharpening Book: <i>The Perfect Edge</i> by Ron Hock</p>	<p>www.amazon.com</p>
High Speed Steel (HSS) chisels used in demo (set of 4)	<p>Aldi Food Stores (available only twice per year @ \$6.99 per set of four chisels!!!! – usually only in June & January, and they sell out within DAYS!)</p>
<p>Waterstones:</p> <ol style="list-style-type: none"> Shapton GlassStone Waterstones (1,000- and 16,000 grits) Hard to find in stock! <p>Alternatives:</p> <ol style="list-style-type: none"> Norton Combination Waterstone, 1000/8000 grits, or individual grit waterstones 	<p>www.amazon.com www.bestsharpeningstones.com www.craftsmanstudio.com</p> <p>Woodcraft (Product #69936655039 @ \$75.99)</p>
